
What Is the Gospel?

The Bible reveals very clearly that every person is by nature opposed to God, and therefore under his judgment (Romans 3:23). Although God stands over against us in judgment because of our sin, He also demonstrates to us great love (Romans 5:8). **The Gospel is the good news of what God, in love, has done for us through Jesus Christ.** Through the death and resurrection of Jesus Christ, God put the guilt of our sin on Jesus so that we could receive the righteousness of Jesus (2 Corinthians 5:21).

Christ bore the penalty of our sin. Christ turned God's judgment away from us and onto himself (1 Peter 2:24). Christ made it possible for us to be forgiven, for us to grow in righteousness, and for us to live eternally with God in Heaven. We receive all of this by faith as we repent of our sins and call on the name of Jesus for forgiveness (Colossians 1:21-23). We confess Jesus as our Lord, and worship him alone. We obey Him, love Him, love other Christians, and make Him known to others (John 13:35).

The Gospel is good news—the good news of what God has done through Jesus Christ.

One day Jesus will come again and make all things new. The good news of the Gospel is that God will put an end to sin and its effect on this world, and bring a new heaven and a new earth where righteousness will reign. We will be resurrected from the dead to enjoy the presence of God forever.

The Gospel is therefore a message that says “Be reconciled to God” (2 Corinthians 5:21). Believe in the Lord Jesus Christ, repent of your sins, and trust Jesus Christ for your salvation (Romans 10:9).
